

STEM N Art Summer Camp in Fair Lawn | MindzQ Education 2025

Looking for a fun, educational, and inspiring way to keep your child engaged this summer? **MindzQ Education** brings to you the STEM N Art [Summer Camp in Fair Lawn](#), a unique and enriching experience where creativity meets innovation! Running from **June 25 to August 22, 2025**, this camp is designed for children aged **5 to 12** and is packed with hands-on activities, weekly themes, and real-world learning.

What Makes MindzQ Education Summer Camp in Fair Lawn Special?

At MindzQ Education, we believe that summer is the perfect time for kids to discover new interests, build new skills, and have fun while learning. Our camp combines **STEM** with **Art**, creating a well-rounded program that nurtures both the analytical and creative sides of young minds.

From **Lego robotics and coding games** to **culinary chemistry and art**, each week introduces children to exciting themes and projects that encourage problem-solving, teamwork, and imagination.

Weekly Themes That Keep Kids Excited

Each week of our camp brings a new adventure. Themes include:

- **Lego Robotics**
- **Crazy Chemistry**
- **Culinary Science**
- **Minecraft & Game Design**
- **AI & Robotics**
- **Art & Public Speaking**
- **Entrepreneurship & Innovation**

Kids learn by doing—whether it's building a robot, designing a game, painting a masterpiece, or conducting cool science experiments. Our balanced curriculum ensures your child gets exposure to both STEM and art, helping them grow in all areas.
